

## **Parish Leadership Team Report: November 2019**

### ***Celebration of Parish Volunteers***

Fr John thanked all Parish volunteers for the contributions they made to the community of this Parish of Our Lady and St Dympna, Aspley. About 135 volunteers and their families attended this event on 20 October. Smiles and conversation were helped by the light meal provided by Robyn and John of Angel Foods. Fr John gave each family a copy of the book *God's Word 2020*.

All volunteers will be invited to celebrate, with the format varying from year to year.

### ***Parish General Meeting: 17 November 2019***

We are now into the final planning for this first meeting for many years. Presenters from various committees and from leaders of activities have been asked to provide main points of their reports by 14 November, if they so wish, for presentation on powerpoint.

Parishioners will be asked to consider how we may contribute to the Plenary Council events in 2020 and 2021.

Most importantly, there will be time for Open Forum. Please send any thoughts and items for presentation and discussion to Katrina in the parish office by Friday 15 November.

### ***Volunteers:***

We are always in need of more volunteers so that activities can be supported by more people. In order of urgent need: Cleaners for the church, Pianists and Organists, Ministers of the Word, Extraordinary Ministers, and counters. Aspleycare also needs your support.
